

## **POST-DOC POSITION**

We are seeking to recruit a post-doctoral scientist with an interest in Intestinal inflammation, to investigate the role of lymphatic vasculature in inflammatory bowel disease.

The position will be funded for 2 years and is available immediately or on a mutually agreed date at Istituto Clinico Humanitas, Rozzano, Milan. The prospective applicant should have a consolidated experience in molecular and vascular cellular biology. Animal expertise is mandatory. The position requires the ability to work independently and multi-task. Excellent communication skills are a must.

Applicants must hold a PhD or MD degree. Previous experience in internationally recognised non-Italian laboratories will be considered as a plus. Informal enquires are encouraged and should be directed to Dr. Silvio Danese, at [sdanese@hotmail.com](mailto:sdanese@hotmail.com). Please, provide a detailed CV with list of publications, a cover letter explaining why you are suited for the position, and 3 letters of reference.
